

NRHS MORNING ANNOUNCEMENTS

THURSDAY - MARCH 29, 2018

Attention all staff and students! Tomorrow, our Freshmen and Sophomores will be attending the film screening of *Baby* and talking with our special guests. The structure of 4th block is going to change slightly to accommodate this. There will not be a "Newfound Reads" block between 1st and 2nd, but at the beginning of 4th students should report to their Advisory location instead of their guided study. Then, Freshmen will take A lunch, Sophomores B lunch, Juniors C lunch, Seniors D. After B lunch, 9th and 10th graders will report to the auditorium. Students, your advisors will be sharing this schedule with you today during your Newfound Reads block. Let them know if you have any questions.

Attention students! Do you like working with technology, or helping out behind the scenes? Tech Crew is in need of new members to work in the spring musical! New members will be able to help backstage as well as learn to use some of the technology in the auditorium, and have a lot of fun while doing it! Please see Ms. Zick if you are interested.

For anyone interested in affordable prom attire there will be a 'Formal Wear for a Fancy Affair' event at Plymouth State University on Saturday April 7 from 1-4pm. Stop into guidance for more information.

Today is your last chance to buy Easter/Springtime Candy Grams during 4th outside the cafeteria.
