THURSDAY - JUNE 14, 2018

Don't forget to turn in your permission form in order to receive a pass leave after final exams next week. **You will not be permitted to leave if you don't have a pass.** Nor will you be able to call home for permission on those days. If you need a form, stop in to the office and get one.

The Class of 2020 is looking for students to help set up for graduation Saturday morning. You will earn money towards your class dues. Please see Mrs Ohl for more information.

Any student taking AP Biology next year, please plan on attending a meeting this Friday 4B in room 220.

Attention students and staff. Did you enjoy this year's one book, one school program? Or do you have ideas to make it better? There will be two opportunities to share your ideas on this topic and talk about choosing next year's book to read as a school community. Join us either Monday during 4D or Wednesday after school. More details to follow. We hope to hear as many new ideas as possible.

Team and individual pictures from Spring teams have arrived. Please see Mr. Cofran.
